

Resource Parent Support (RPS) Staff Coverage by County:

~The RPS case manager for your county will be glad to assist you. This person is responsible for assessing Resource Home safety, as well as providing support during your journey as a Resource Parent. He or she will provide support and guidance to you during the Home Study process. Where a child has his/her own Case Manager, one will be assigned to your Resource Home as well. Below are the RPS Case Managers for our Region:
